

# PRINTING TICKETS

## FREE OF CHARGE

### How to Print Tickets:

- **Log in to My Goldeyes Account.**
- **Select 'Manage My Tickets'**
- **Select 'Manage My Tickets'**
- **Select the 'Print At Home' button**
- **Select the seats that you wish to print**
- **Click on the "Print" button near the top right corner of the page**
- **A new window pops up and you can click "Continue to Print"**
- **Review the game and seats you are about to print to ensure you have selected correctly. Now check the box that states "I agree to terms of use" And then click "Submit"**
- **The next screen you can open your tickets in Adobe and Print them or you can save them to a file and print them at a later time**

**Your tickets will open as a PDF file and may be printed on any standard printer. All you need is Adobe Acrobat Reader 4.0 or higher (free).**

***Note: Once you click the 'print' button, the downloaded tickets will be required for entry to the event. You cannot use any tickets that may have been previously issued or printed.***
