### *Pitch-In to Help Support the Winnipeg Goldeyes Field of Dreams Foundation with* **Ks FOR KIDS**

Team up with the Goldeyes to support the Winnipeg Goldeyes Field of Dreams Foundation with the **Ks For Kids** promotion.

All you have to do to take part in **Ks For Kids** is to pledge an amount that you will donate towards the Field of Dreams Foundation every time a Goldeyes pitcher gets a strikeout at home during the season. To sign up, just complete this form and email it to [contact@goldeyes.com](mailto:contact@goldeyes.com), mail it to the Goldeyes office at Shaw Park or stop by the Fan Services Booth during the game.

During the 2018 season, Goldeyes pitchers struck out 351 opposing batters while playing at home. This means that if fans pledged just five cents per strikeout, they would have contributed \$17.55 to the Winnipeg Goldeyes Field of Dreams Foundation.

At the end of the season, we'll total-up all the Goldeyes strikeouts and the Field of Dreams Foundation will send you an invoice or, if you wish, we can charge your credit card for the amount. You will receive a printable tax receipt for the full amount of your donation.
