SEASON

The Winnipeg Goldeyes are pleased to provide the "Community Zone Partnership". This program allows civic-minded companies of all sizes to supplement Goldeyes ticket donations by providing groups with the opportunity to enjoy a memorable game at the ballpark.

All partnering organizations receive ownership of 1,000 tickets during the baseball season. The Goldeyes organization distributes these tickets to worthy recipients in your name. Deserving groups receive a fun-filled Goldeyes experience courtesy of your company!

EACH COMMUNITY ZONE PARTNER RECEIVES:

- Prominent name recognition on signage adjacent to Section 'A' demonstrating your company's support
- Print recognition of your community spirit and involvement in Winnipeg Goldeyes Magazines
- Mentions during Goldeyes Radio Broadcasts
- Recognition on the official Goldeyes website, Goldeyes.com
