The Winnipeg Goldeyes Field of Dreams Foundation will be holding its 25th Annual Charity Golf Tournament on **Monday, June 6, 2022**, at **Breezy Bend Country Club**. Proceeds will go to the Field of Dreams Foundation, which has donated more than 2.6 million dollars to a number of organizations throughout Manitoba including the Cerebral Palsy Association, Canadian Diabetes Association, the Children's Hospital Research Foundation, Dream Factory, provided scholarships to Baseball Manitoba, just to name a few.

The cost for individual Hole Sponsorships will be \$1,700. This fee ensures you a four-player team for the tournament; golf carts, prizes, dinner, signage at your hole, and an opportunity to operate a contest where prizes supplied by your company can be given away. The individual entry fee is \$300; a team of four is \$1,200. An individual entry also includes a cart, dinner, and prizes. The team entry includes two carts, dinner for the four golfers and prizes. A portion of the entry fee will be tax deductible. **Your entry also includes lunch, one mulligan, entry into all individual hole contests and one entry into the putting contest!**

START TIME FOR 2022 ** The tournament will be a shotgun start, beginning at NOON. All golfers should be at the course to register by 11 a.m. Approximately 30 minutes following the completion of the golf dinner will be served, at which time the prizes for the tournament will be presented.

A maximum of 144 golfers will gather for a great day of fun. **Most foursomes** will be assigned a Goldeyes player, coach or staff member and will compete for a number of valuable team and individual prizes. Naturally there will be a putting contest, long drive contest, etc. **Don't be disappointed, book early.**

The course dress code will be in effect. We look forward to your response and hopefully your involvement in our tournament. For further information, please call the Goldeyes office at 204-982-2273 and ask for Andrew Collier, this year's Tournament Chair.

Sincerely,

Andrew Collier
